

2024 Beef Update: Delaware Co. Fair

***Barn Reminders**

- Chutes & tents: all tents and chutes need to be 10ft. off of the barn. There will be areas marked where you can set up tents & chutes.
- Wash racks: the wash rack at the new poultry barn (previous dairy barn) can now be used if needed in addition to the wash racks attached to the cattle barn. The Dairy Cattle show is the morning of Saturday, September 14th of the fair. That morning on the wash racks please be courteous to the exhibitors showing dairy cattle so they can get their animals washed and ready for their show.
- Exhibitors will need to provide their own bedding for the barn. You can use mulch, straw, or sawdust.

*Barn Potluck: will be at 5pm, Saturday, September 14th. It will be held in the buyers' dinner tent. Meat and buns will be provided by the Beef Committee.
