

Editing An Animal you have already submitted to FairEntry

1. Login at <http://DelawareCoJrFair.fairentry.com>
2. Pull up the specific child
3. Click the Review and Add Animal button (blue button)
4. Click on the green Animals tab at the top
5. Then select edit on the animal that you need to modify
6. You can delete animals if you have accidentally submitted multiples of the same animal

*The Extension office is unable to delete or edit animals on your behalf
