

Swine Newsletter:**Pen Assignment Requests:**

New for 2023 - If you are interested in splitting your pigs into single pens, please email Katie VanHoose at kvanhoose@delawarecountyfair.com by September 11th. Space is limited, so requests will be granted on a first come, first serve basis. If you are not assigned a split pen, you will be unable to separate your animals at the fair. The committee will be unable to accept location or neighbor requests.
