

## 2022 Delaware County Junior Fair Sales

Dear Jr. Fair Supporter:

Your support of the Delaware County Jr. Fair Sales is greatly appreciated. Since 1958, the success of the sales is because of the support of individuals, businesses, or organizations such as yours. The Delaware County Jr. Fair Sale Committee extends an invitation to you to attend and participate in this year's Delaware County Jr. Fair livestock auctions on Tuesday night and Wednesday night. 4-H and FFA members count on your support.

We invite you to the bidder's dinner located near the sale arena starting at 5:00 pm. Once you arrive, please pick up your bidder's number, turn in the enclosed bidder's card, and pick up a sale program. Your bidder's number is the same for both Tuesday and Wednesday's auctions. If you are new to the auctions, you will be able to register and get your number at the clerk's table. If your company has a logo they would like displayed in the power point during the sale, e-mail the logo to [delcoifsale@gmail.com](mailto:delcoifsale@gmail.com) before September 13<sup>th</sup>.

Please note the sale order.

As in the past, buyers can add-on money to the sale, either to an individual or to an entire group, such as all goats, rabbits, beef cattle, etc. This year we are offering an option for buyers to add-on virtually. The Add-on Bid Form and payment options can be found at [https://linktr.ee/delawareco\\_jrfairsale](https://linktr.ee/delawareco_jrfairsale).

We have quite a few changes in your options for animals on what happens to your purchase of individual animals and which species have the option for being processed for your freezer. Please carefully read the information on the options available to you.

Please find enclosed the following items:

- Passes that will admit you to the fair on sale nights with reserved parking. You will need to enter the fair at the Pennsylvania Avenue gate across from Euclid Avenue, and put the pass in your car dashboard.
- List of 2022 market project exhibitors and parents' names.
- Buyer's information card to make any changes or corrections and turn in when you pick up your bidder number.

Our committee is looking forward to seeing you at the Tuesday and Wednesday sales. If we can be of assistance to you prior to the sale, feel free to contact Bev Tidd with the Delaware County Jr. Fair at 740-833-2034. Thanks again for your support.

## **Delaware County Junior Fair Sale Information**

### **Sale Format**

This is a Premium Bid sale, which means that you bid a premium above the market price of the animal. The winning bidder must declare the destination of the animal at the time of purchase in the sale ring. The auctioneers will assume you want to turn the animal over for resale if you do not state otherwise immediately after you obtained the successful bid.

If you purchase the animal above the premium, you must pay the total market value of that animal as listed in the sale program in addition to paying the premium bid. Processing is an additional cost to the buyer and the buyer must handle that directly with the meat processing facility. Not all animals are available for purchase as freezer meat.

### **Champion and Reserve Champion Destination Options**

- Resale: You only pay the premium bid and the animal goes to a packer who pays the youth the market value of that animal.
- Consumption as freezer meat: You must pay the premium and the total market value of the animal as listed in the sale program to the sale committee. Market value is the animal's weight multiplied by the market price. You will pay processing fees directly to the processing facility. Processing facility fees will be listed on the front page of the sale program the night of the sale.
- Market Goats and Market Rabbits are not available for meat processing. Resale is the only option.
- Market Poultry are available to have processed for freezer meat with no additional market price. You must pay processing directly to the processing facility.
- Transportation of the animal is provided to either the meat processor or the resale packer.
- For Baked Goods and Dairy Products, you will take the items with you that evening.

### **Non-Champion Market Beef, Market Hogs, and Market Lamb Destination Options**

- Resale: You only pay the premium bid and the animal goes to a packer who pays the youth the total market value of that animal.
- Buyer take Home: You have the option to take the live animal home. You pay the market price listed in the sale program in addition to the premium bid. Market value is the animal's weight multiplied by the market price. You are responsible for arranging transportation of the live animal. Ask us for details on when you can pick up the animal from the fairgrounds.
- Consumption as freezer meat: You must pay the premium and the total market value of the animal as listed in the sale program to the sale committee. Market value is the animal's weight multiplied by the market price. You will pay processing fees directly to the processing facility. Processing facility fees will be listed on the front page of the sale program the night of the sale. Transportation will be provided with a fee.

    - If you are unable to pick-up during this time you must contact (call or text) Maggie (740) 815-1040 prior to 8am pick-up time. Arrangements can be made; however, the meat cannot be guaranteed past 1pm Wednesday.
  - Processing facility fees will be listed on the front page of the sale program the night of the sale.
  - All chickens will be processed as cut ups, unless specified with the poultry committee at the sales table prior to conclusion of the auction.
