#### **Quality Assurance Programs**

Quality Assurance is mandatory for all market and breeding rabbits, all poultry, all goats (excluding Companion Goat), all sheep, market hogs, all beef cattle, and dairy cattle. There are two Zoom QA programs (May 17 and 21) and three in-person programs (May 25, June 4, and June 9). Please note the last two dates do not meet Hartford Fair requirements. Pre-register for the Zoom programs at <https://go.osu.edu/delqa>. Check out the details at <https://delaware.osu.edu/program-areas/4-h-youth-development/quality-assurance>.

#### **Market and Animal Project Letters**

Next week, we will begin mailings for animal projects regarding health and identification information needed for fair participation. Begin looking for them to arrive in the mail between May 6<sup>th</sup> and May 23<sup>rd</sup>. The projects that have letters are horses, dogs, alpaca/llama, market lambs, market goats, market hogs, market rabbits, non-market goats, non-market poultry, non-market rabbits, dairy cattle, breeding sheep, market chickens, and beef and dairy feeders.

These letters contain important identification deadlines, and failure to meet the deadlines will impact fair participation. Please read the letter carefully when you receive it and refer to it throughout the summer.

Sadly, today we say farewell to Cynthia Johnson, who has been the 4-H support staff person in our office for the past three years.
