Hello 4-H Families:

Happy April! I want to share a few reminders and information about upcoming events. If you have not yet enrolled in 4HOnline, the countdown is on! You have only have 8 days left to enroll!

#### **4-H Enrollment Deadline - April 15 for Fair Eligibility**

The direct link to enroll is <http://oh.4honline.com> and tools to help you can be found at <https://delaware.osu.edu/program-areas/4-h-youth-development/4honline-enrollment-help>

We have some families that are getting an error message when trying to add a member to their family profile. We have found that when you add the family email to an individual profile, that is causing the issue. In an individual's profile, you can leave the email field blank, add the child's email, or add a secondary parent/guardian email. The second most common issue is when you login, the system does not like autofill. Type in your family email when logging in to avoid the message that the county is no longer accepting enrollments.

#### **4-H Project Changes**

You can make project changes without contacting us, after your current enrollment is approved. Also be sure to delete all projects you are not taking, as we use project numbers in in planning fair judging. You can make add or drop changes until April 30<sup>th</sup>.

To alter projects:

1. Log in to 4HOnline and make sure you are on the Member List page of your family profile.
2. Click the blue "View" button beside the child's name.
3. From the column on the left, click "Projects" toward the bottom of the list.
4. Click the "Edit" button in the upper right and make your changes.
5. You will NOT get an email confirmation. The email confirmation is only for enrollment into 4-H. If you see the project listed, you are good to go.

#### **Poultry and Rabbit Open House Clinic – 2-4 PM, Sunday, April 10 at Fairgrounds**

The Poultry and Rabbit Clinic and Open House on Sunday, April 10<sup>th</sup> from 2 to 4 PM in the Merchant's Building at the Delaware County Fairgrounds. They will cover types of projects available, fair classes, animal health, and more! A poultry flyer for the event is at <https://delaware.osu.edu/program-areas/4-h-youth-development/showmanship-clinic>

#### **Avian Influenza**

Avian Flu is a concern this year and there is the potential that live bird exhibitions may not be allowed. The poultry committee and Senior Fair are committed to holding a carcass judging for placing and participating in the sale. However, if your child wants to have animals to show at fair, we suggest enrolling in another species as a backup project in 4HOnline. Information on biosecurity and protecting your flock can be found at <https://ohio4h.org/animalsciences/poultry>.

#### **4-H Club Officer Resources Online Training**

Did you miss the statewide virtual 4-H Officer Training earlier this week? There is now an online self-paced, home study course. This course, the officer books, and meeting templates are available at <https://ohio4h.org/officerresources>
