Hello 4-H Volunteers:

Our 4-H season is ready to kick off! Now is the time to advertise your club throughout your community. We have yard signs available to pick up at the Extension office. Other ways to advertise include asking to put a mention of your club's first meeting in a township, church, or school newsletter or in a community newsletter.

2022 Volunteer Kick Off Meetings

Next week are the Kick Off trainings and I hope you can attend. Please recall that new this year, Ohio 4-H requires two trainings. One is the Youth Protection (Policy 1.50) training that must be completed annually. The other training is on a topic that helps you in your volunteer role. The Kick Off meeting will satisfy both requirements for 2022. There will be other training opportunities in the late spring and early summer if you have conflicts with these dates.
