

Still Exhibit Summer Project Judging

9:30 AM –11:30 AM, Friday, July 21, 2023

Delaware County Fairgrounds - Ag Center Junior Fair Exhibits Area

What is Still Exhibit Summer Judging?

This judging is for those that want to represent Delaware County at the Ohio State Fair in their project, because our county fair judging takes place after the state fair. Still Exhibit Summer Judging is **Friday, July 21, 2023 at the Delaware County Fairgrounds.**

Should I attend Summer Judging or get judged the closer to Delaware County Fair?

If you are interested in competition at the state level, you should attend Summer Judging. Ohio State Fair representatives are determined that day. The competitive judging for Delaware County Junior Fair is Saturday, September 9th. You will need to attend both judging events if you want to be competitive for both state and county fair.
